+1 669 900 6833 (San Jose)

+1 253 215 8782 (Tacoma)

+1 312 626 6799 (Chicago)

Mission Statement

The Utah Storm Water Advisory Committee will coordinate efforts to reduce stormwater pollution and provide adequate flood control. The committee will jointly review governing regulations, disseminate information to enhance compliance with those regulations, promote effective stormwater management training, and assist local municipalities and other interested parties to implement best management practices, consistent with their individual needs and resources. The committee will also review any proposed stormwater regulations to assess potential impacts on the regulated community.

1. **Welcome** USWAC members: Tanon Mathews conducting, 2024 Chairman

ACTION ITEMS

2. **USWAC membership roster** sign-in through Google Forms:

https://docs.google.com/forms/d/1oLgq-6NTkLdRwMKEKBK9FBb7yWZRSV_dalzKCJJvyyI/edit

(Note: Each attending member will need to fill out the form individually.)

3. **Review and approval** of the November 08, 2023, Meeting Minutes Motioned: Tom Beasley
Seconded: Scott Bird

TRAINING PRESENTATION

4. **Presentation:** *Underground Storage, Permeable Pavers, and Water Quality Products.* – Presented by Tim Staub with ACF West. Staub is a professional civil engineer with design experience in land development, platting and infrastructure design. At ACF West, his focus is on stormwater products.

REGULATION & UPDATES

5. State of Utah Updates

- a. **Linsey Schafer** – Construction Dewatering & Treating Groundwater and Surface Water Permits. DMR's for both permits are available on NeT DMR, also there is information posted on DEQ website. The account is easy to set up. If you have any questions you can call Baylie Nusink or Julian Carroll.
- b. **Jeanne Riley** –
 - i. Kelsey wanted to remind coalition chairs to extend meeting invites to her.
 - ii. Heading into the legislative session no bills that affect Storm Water community as of this meeting. Will update in February if anything comes up.
- c. **Kelsey York** – Working on rehabilitating the committee. The intention is to produce continuity across MS4's websites.

6. USWAC Subcommittees Updates

- **Long Term Storm Water Management:** The subcommittee has been meeting and discussing improvements and will provide valuable updates to MCM5 next month.
- **Training Programs:** RSI. Some sections have been re-recorded and ready to roll out in the next week online.
- **MS4 Unification Committee:** There was a motion in the November meeting to rehabilitate the committee. The first topic to work on is to investigate how to create a platform that will provide consistent information across MS4's website. The committee is also looking for more volunteers to join the committee. Please email uswacwebsite@gmail.com if you are interested or contact Kelsey York.
 - **Update** – Carl Adams asked if there was a Chair, Tanon not at this time. Hoping to get more volunteers for the committee. No committee meeting scheduled at this time.

NEWS & UPDATES

7. **APWA News and Updates:** Trace Robinson - none

8. Stormwater Coalitions News and Updates:

- Salt Lake County - Josh Mikel: none
- Golden Spike – Greg Seegmiller/Sam Wakeham: none
- Summit County - Kelsey Christiansen/Megan Haden: They are having a water fair with 4th graders. Asked if anyone had interactive materials that they could use. Golden Spike used an interactive flood and erosion trailer from the Forest Service.
- Utah County - Scott Bird/ Brent Dunkley: Invited Coalition to their Annual Training Feb 20, 2024.
- Davis County – Steven: Contractor and MS4 training scheduled in Ogden same day February 20th.
- Southwest UT – Paul Mogle: Christy with St. George. Working with City Information Specialist to create flyers for the Coalition. Subject matter will be for the general public regarding construction as well as Business BMP's. Currently being drafted will hopefully complete by next meeting.
- Cache County – Colton Love: none

9. Other topics/ business: Tanon sent out a survey to collect ideas for presentation in the Committee meetings for 2024. Please send meeting topic or suggestions. He has received great feedback so far. If you have an idea anytime throughout the year please email uswacwebsite@gmail.com or use the link. Next month's training will be presented by Kelsey York regarding some of the feedback we have received. "Trainings required by the MS4's permit." February 14, 2024

10. Public comments or questions:

11. ADJOURNMENT – Motioned: Dan Woodbury, Seconded: Ava Feltenberger

Note: This link will take you to the new USWAC webpage. You will find current meeting minutes, Agendas, etc. [Utah Storm Water Advisory Committee \(apwa.net\)](http://Utah Storm Water Advisory Committee (apwa.net))

Next meeting: Wednesday, February 14, 2024
